

Name: Aubrey

I Think... I Notice... I Wonder...

Directions: Observe the image below carefully. Then, in writing, complete the following sentences: *I think...*, *I notice...*, and *I wonder...*

Use the **word bank** below to help you include mathematical vocabulary in your responses. Try to use at least two or three words from the word bank in your writing.

Word Bank

^{compare} Scale	Dimensions	Proportion
Size	Height	Ratio
Weight	Width	^{holds inside} Volume

Name: _____

I Think... I Notice... I Wonder...

I Think... The pumpkin width and height are huge. the dimensions look funny and the weight would be so heavy!

I Notice... that the proportion of the pumpkin is way larger than the car. the ratio is off.

I Wonder... what the volume of the pumpkin is in comparison to the car? that scale is off, since the size doesn't match.

Name: Kash 4

I Think... I Notice... I Wonder...

Directions: Observe the image below carefully. Then, in writing, complete the following sentences: *I think...*, *I notice...*, and *I wonder...*

Use the **word bank** below to help you include mathematical vocabulary in your responses. Try to use at least two or three words from the word bank in your writing.

Word Bank

Scale	Dimensions	Proportion
Size	Height	Ratio
Weight	Width	Volume

Name: _____

I Think... I Notice... I Wonder...

I Think... I think the SUV is a RC
car or it is a.i. because it looks out
of dimension. The scale is off.

I Notice... The car looks like it's plastic
and it's not reflecting.

I Wonder... how they cut the stem if it
real, and the size of the panikins every
where else are smaller than the stem. The
proportions are wrong.
