We are about to start our new unit on **Ancient Israel!** You've seen a few images, maps, and quotes, but there is still so much to explore. Before we dive in, I want to know what *you* are curious about.

1. **Set a timer for 3 minutes.**
2. On your paper, **write a quick list of questions** you have about Ancient Israel.
3. Your goal is to **write as many questions as you can**—don't stop to worry about grammar, spelling, or having "perfect" questions.
4. Your questions can be about the **G.R.A.P.E.S.** of the civilization, or anything else that popped into your mind from the pictures, maps, and quotes.
5. If you get stuck, look back at the images and ask yourself:
 - "What am I noticing?"
 - "What am I wondering?"
 - "What would I want to learn more about?"
6. When time is up, put a star next to the **three questions you are most excited to learn about** during this unit.
