

Agenda

Welcome and Introductions

0-3: Jenny will take us through introductions and get the session started.

What Is a Ranking Activity?

3-5: Jenny will introduce ranking activities by defining what it is, why use it, and when to use it.

Let's Try It!

5-20: Angie will take us through a ranking activity so we can experience one.

Reflect and Respond

20-25: Chris will help us debrief the activity:

- What kind of thinking does the activity make students do?
- What are the benefits of doing this activity together?
- Where can you see this working in your class? What changes would you make?

Other Options

25-30: Chris will show us different variations of the ranking exercise and explain when each is best to be used:

- Best to worst
- Ranking claims
- Ranking quality

Student Examples

30-35: Angie will show us some student examples:

- ELL class
- 9th grade
- 11th grade
